

KVB launches sale of Pure Silver Bars

After the successful foray into retail sale of gold coins / bars, Karur Vysya Bank has launched sale of KVB Pure Silver Bars. KVB is the THIRD bank in the country to enter into retail sale of silver. To start with, the Bank is introducing 50 gm bars and mulling roll-out of 100 gm bars shortly.

The product is launched in view of the demand from our customers and general public. KVB offers the finest quality 24 karat silver bars of 99.99% purity for sale at a very competitive price to deliver more value to its clients.

KVB Pure Silver bars are sourced from PAMP refinery of Switzerland, one of the most reputed refineries in the world. These bars come in tamper-proof and see-through certicard packaging and along with an assay certificate indicating the highest quality as per International Standards.
