Historical Ways of Working

Branch—the sole distribution platform

Operationally intensive—branch handling most operational tasks of the bank

Decentralised decision making at branch

All customer types managed at branch

Substantial branch/divisional credit empowerment

Limited oversight on branch/divisional office prior to loan booking

Branch responsible for origination and maintenance of all liabilities and assets

Limited centralisation

Largely paper based processes

Our journey

Transformed business model

Branch—one of the distribution platforms

KVB NEO - “a Bank within a Bank”

KVB is evolving from a ‘Branch’ based business to one that engages the market through alternate distribution mechanisms, viz.: aggregation through third parties, outbound sales force, Fintech partnerships, co-origination etc.

KVB Neo - a ‘Bank within a Bank’ - enables KVB to access these distribution channels.

Staffed with industry specialists and equipped with the most contemporary technology, KVB Neo is a strategic initiative to enable business growth. Currently live in 8 states (15 locations) and originating approximately Rs. 200 crore in loan applications monthly.

Neo has built a highly specialized team in a short span of six months (became operational in July 2019). As of Dec. 2019 Neo is active in 8 states and 15 locations with a team size of 65 people.

The team consist of experts from the banking industry

1. Business, Risk, Product, Sales, HR
2. Digitally powered Sales FOS
3. Specialist Underwriters
4. Data analysts
5. Seasoned collections team

KEY ACHIEVEMENTS

- Operational in 15+ locations with average productivity of more than Rs. 3 crore per employee
- Integration with the bank’s digital ecosystem has allowed NEO to scale up with low operations overhead while having best in class systems and controls
- Achieved Rs. 100+ crore disbursement in 4th month of operation
- Average ticket size and customer profile in line with retail strategy
- KVB’s state of the art open API framework has started to yield good results in the multiple co-lending arrangements.
- NEO is in the process of launching new products both in secured and unsecured category
