Independent Auditor's Review Report on Unaudited Quarterly Financial Results and Year to Date Results of the Bank pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of The Karur Vysya Bank Limited

1. We have reviewed the accompanying statement of unaudited financial results ('the Statement') of The Karur Vysya Bank Limited ('the Bank') for the quarter ended 30 June 2021, being submitted by the Bank pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time, except for the disclosures relating to Pillar 3 disclosure as at 30 June 2021, including leverage ratio and liquidity coverage ratio under Basel III Capital Regulations as have been disclosed on the Bank's website and in respect of which a link has been provided in the Statement, and have not been reviewed by us.
2. The Statement, which is the responsibility of the Bank's management and has been approved by the Bank's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard 25, Interim Financial Reporting ('AS 25'), prescribed under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended), the relevant provisions of the Banking Regulation Act, 1949, the circulars, guidelines and directions issued by the Reserve Bank of India ('the RBI') from time to time ('the RBI guidelines'), and other accounting principles generally accepted in India, and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in AS 25 prescribed under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended), the RBI guidelines, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement, or that it has not been prepared in accordance with the relevant prudential norms issued by the RBI in respect of income recognition, asset classification, provisioning and other related matters, except for the disclosures relating to Pillar 3 disclosure as at 30 June 2021, including leverage ratio and liquidity coverage ratio under Basel III Capital Regulations as have been disclosed on the Bank's website and in respect of which a link has been provided in the Statement and have not been reviewed by us, or that it contains any material misstatement.
5. We draw attention to Note 7 of the accompanying Statement, which describes the uncertainties due to the outbreak of COVID-19. The impact of these uncertainties on the Bank's financial results is significantly dependent on future developments.

Our conclusion is not modified in respect of the above matter.

The extent to which the same will impact the Bank's operations and financial results remain uncertain and are dependent on several factors including measures initiated or to be initiated by the Government of India and RBI. There is a stress on collection of dues from borrowers; however, the Bank is closely monitoring the repayment of dues by the customers, collection efficiency and will undertake suitable steps if the efficiency levels breach the current level. As on 30th June 2021, the Bank continues to maintain liquidity coverage and capital adequacy ratios at higher levels than the regulatory minimum; the management continues to closely monitor the day to day operations, business, liquidity position and adequacy of capital.
